 - CGPA: 8.88/10.0
-

SKILLS

Angular

React.js

Nest.js

Html, CSS & JavaScript

Python

Java

Git & GitHub

Figma

SQL

PROJECTS

Baramati Dudha Sang & ATA ERP Project

In this project, I contributed as both a frontend and backend developer during my internship. On the frontend, I created pages, implemented data binding, generated reports, and inserted data into the database. On the backend, I worked to create endpoints.

Technology : Angular, Nest.js, SQL Server 2019, Crystal reports

English Words Dictionary

English dictionary webpage where users can search for words and find their meaning, audio pronunciation, synonyms, antonyms, and more details. There is also a button that links to Wikipedia to show related information about the word.

Technology : React.js , external API ([Free Dictionary API](#))
